

April 1, 2007

Main Street Realty is proud to announce that we are in the process of a major facelift to our Internet website (www.mainstreet-realty.com) and are in the last phase of completion. It would be a great help and greatly appreciated if our clients that we have represented in the past could take a moment of their time to write a brief testimonial about their particular transaction.

Although your transaction has been concluded for sometime now I am sure that you still can come up with a brief description of your home buying/selling process...surely it is one of the biggest investments you will make in a lifetime so it shouldn't be that hard to think back and remember your specific experience.

Like most all services the real estate industry is strongly driven by the Internet and personalized recommendations, so we would really appreciate your cooperation in assisting us capture this advertising method.

We will select anywhere from 15-25 testimonials, the selected testimonials will be displayed on the testimonial page of our new website and will be geared to advise other potential prospects who have never heard of us, to review our clients feedback about the services that we provided.

We would like to invite you to visit our website (www.mainstreet-realty.com) for your review and if you have any recommendations to improve or enhance our website we welcome your input. All feedback can be submitted by either email format or postal to **home4u4life@yahoo.com** or **3659 Main Street, Oakley, Ca 94561**.

Our family values your business and if you have any questions or just would like to trade some thoughts we are only one phone call away.

Wishing you a Happy Easter,

The Main Street Realty Team
